

Headers- Can we have the puppet image left for now across all pages?

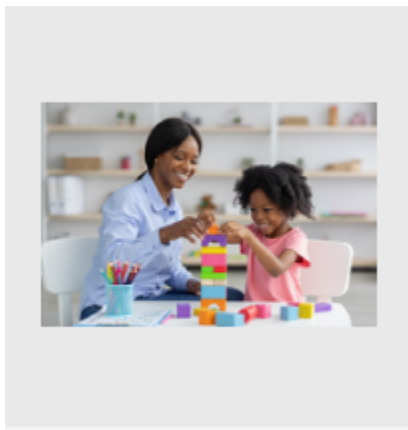

Can we change the large image on home page to this one?

Homepage

<https://new2022.canadianplaytherapy.com/>

Need a new image with a woman's head not cut off - can we use this one?

- Purple go to membership link has to be moved down a row so tops of all purple links line up
- Phone # change to 905-945-5905
- Images on dark purple background “publications & resources need to be moved a bit to the left closer to text. “What’s coming up text moved up one row.
- No privacy policy or accessibility Statements linked in footer

About Us

<https://new2022.canadianplaytherapy.com/about-us/>

- Change red titles
- Bod's need consistency with Title of chair bolded and not the name (to match how it is done under executive committee)

<https://new2022.canadianplaytherapy.com/about-us/certified-play-therapist-directory/>

- Red sidebar title changed
- When performing a search under specifically CAPt or CAPT-s once you have selected a province it does not show numbers of other locations in drop down

One example : Cpt-s (8) Alberta (8) does not show numbers in other provinces under drop down. It's awkward that people have to go back to all to see numbers in other provinces but having said that maybe this is something that can not be avoided

Membership Benefits

<https://new2022.canadianplaytherapy.com/membership/>

- Need the spaces between all numbered paragraphs
- Member login links all still go to old page <https://admin.cacpt.com/site/login/members> (assuming this is a CAPT responsibility (Gearld to change with recent database changes?)
- Can we change the red titles (Member login Code of Ethics Continuing Education Credits , Insurance provider it looks odd against the purple) (same for all side bars on other pages)

Play Therapy Week

<https://new2022.canadianplaytherapy.com/membership/play-therapy-week/>

- "Canadian & " title needs to be moved up one
- Change contact to say "contact : admin@canadianplaytherapy.com

Training

<https://new2022.canadianplaytherapy.com/training/foundation-play-therapy-training/>

- <https://captraining.com/product-category/2023foundationplaytherapy/> needs to go to a page on new site like the "view course details links" same as all course registration? (or everything sent off site but not both)

CAPT Foundation Play Therapy Training

<https://new2022.canadianplaytherapy.com/training/foundation-play-therapy-training/>

- Would like a capital "b" on Become a Certified Play Therapist"

<https://new2022.canadianplaytherapy.com/training-class/applying-play-therapy-tools-in-the-treatment-of-trauma-in-children/>

- No destination for “register for class “ button it just loops
